

This constructive, simple idea can be replicated everywhere. I look forward to future building opportunities with schools, churches, and organizations dedicated to giving a lasting gift to children and families, especially during the upcoming holiday season.

HONORING ROSELLE WOMEN ON THE MOVE

(Mr. PAYNE asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. PAYNE. Madam Speaker, I rise today to acknowledge the outstanding accomplishments of Roselle Women on the Move, a volunteer organization making positive impact in the lives of young women in my community that came to see me yesterday here at the Capitol.

I was impressed with the mentorship Roselle Women on the Move provides. Their mentoring has undoubtedly equipped the young women and girls in my community with the tools they need to achieve their dreams.

I commend Borough of Roselle President and Councilwoman At Large, Denise Wilkerson, for spearheading this group and the other women and leaders that joined her yesterday for their mentorship. I am grateful to each of them for using their life experiences to improve the lives of our children in my community.

WORKING TOGETHER FOR AMERICA

(Ms. JACKSON LEE asked and was given permission to address the House for 1 minute.)

Ms. JACKSON LEE. Madam Speaker, I rise for a series of issues that I think are important.

First of all, two simple words, thank you, to all of the election officials in all 50 States, the bulk of whom worked unceasingly to ensure that the votes of the American people would be answered, counted, and respected.

Let me also say how important it is in this moment that we recognize the responsibilities of the Federal Government to raise the debt ceiling, not for itself, but to ensure the stability and security and protection of the American people. Medicare, Social Security, defense, all of these issues fall under the debt ceiling. Not recklessly, but rightly, we should do that.

I say to the Federal Reserve, stop raising the interest rates. You are negatively impacting the consumer who is trying to stand up on their feet. That is important.

Finally, I say, we should pass H.R. 40, the Commission to Study and Develop Reparations Proposals for African Americans Act.

What is it about? Reconciliation, restoration, recognizing the history of enslaved Africans, and recognizes the

unequal distribution of wealth to ensure that there is a recognition of dealing with the disparities in education, disparities in housing, disparities in social issues.

I believe we can work together. Let us come together on these issues that I have mentioned. That is what America is all about.
